

Finally the GPIOA Retreat has been rescheduled!

Apologies for any confusion the prior announcement may have caused. It was not intended for release. Here's the real, up to date scoop on the committee's decision.

The GPIOA Retreat has been rescheduled for March 19-21, 2021. If you had registered for the retreat last March, you have a couple of options. If you are unable to attend next Spring, you may apply for a refund. If you want to leave your \$50 on deposit, you may apply for a partial refund. The \$50 deposit will serve to hold your spot. Please e-mail treasurer@gpioa.org to request a refund. If you still wish to attend, you may let your registration stand as is. If any of your personal information changes in the next year, please let us know.

Previously awarded scholarships will be honored. We will have a limited number of additional scholarships available. We will announce the application period and procedure in the fall.

If you request a refund and decide you do want to attend, or if you did not previously register, we will re-open registration in December 2020. This applies to day-trippers as well as those staying onsite. We will post a new registration form at that time.

Thank you for your support and understanding during these trying times. Stay safe, healthy and abstinent. Stay connected! Be well.

Sincerely,

The Marathon Committee
