Membership Qualifications for GPI

Section 1: Eligible Groups

Groups eligible for GPI membership are defined in the GPI Bylaws, Article III, Section 2.

Liability Insurance: all groups recognized as affiliated with GPI are covered by the main GPI Liability Insurance policy. Groups needing proof of insurance should contact the GPI Treasurer for documentation.

Section 2: Geographic Area

The geographic area is defined as Southwestern PA (Allegheny, Armstrong, Beaver, Bedford, Butler, Cambria, Crawford, Erie, Fayette, Greene, Indiana, Mercer, Venango, Washington, and Westmoreland counties), the WV panhandle and portions of northwest WV (Brooke, Hancock, Harrison, Marion, Marshall, Monongalia, Ohio and Taylor counties), and bordering portions of OH (western Belmont and Jefferson counties).

Section 3: Intergroup Representatives (IRs)

Intergroup Representatives (IRs) shall be selected by the group conscience of the group they represent. Each IR shall be selected by any method deemed appropriate by their group, always subject to recall by the group they represent. GPI Suggests IRs be selected for stability, length of time in program, and time of abstinence, which is to be determined by the group. Each group shall be free to designate an alternate delegate when the necessity arises. Each IR can only represent (“vote for”) one meeting at the GPI meeting.

New IRs shall each be given a Welcome Packet (for details, see **Appendix A**).

Upon election as a Standing Committee Chairperson, Regional Representative/Alternate, World Service Delegate/Alternate, or member of the Executive Board, the member shall cease to be an IR for an individual group and that group may elect another IR.

Guidelines to the GPI Meetings

Section 1: Meeting Chairperson

GPI shall be led by the Chair. In the event the Chair is unable to chair any meeting, the Vice Chair will lead the meeting. In the event the Vice Chair is not available, an election will be held for a temporary Chair.

Section 2: Meeting Agenda

The agenda for the meeting will be determined by the Executive Board at their monthly meeting, prepared by the GPI Chair and sent to the Webmaster/Administrator by 12n the Wednesday before each GPI meeting. Agendas should include the following:

1. Outline of the meeting, including asking for a volunteer to take minutes
2. Define the quorum (Minimum of 7 voting members including not less than: 2 IRs, ½ of the filled Executive Board and 1/3 of the filled Standing Committee/Other Trusted Servant positions)
3. Current intergroup goals

Section 3: GPI Standing Rules

1. All proceedings shall be governed by the current edition of Roberts Rules of Order Newly Revised, except when in conflict with Greater Pittsburgh Intergroup Bylaws, policies & procedures, and standing rules.
2. Meetings are open to all OA members. Anyone present may speak when acknowledged by the chair, including virtual attendees. However, only IRs and GPI members (Executive Board, Regional Representatives/Alternates, World Service Business Conference Delegates/Alternates and/or Standing Chairs) may vote by a show of hands on measures brought to the floor. The Chair will poll all virtual attendees eligible to vote at regular GPI meetings (not the annual election meeting) and add these results to the show of hands tally to determine voting results.
3. The Chair will report to the body all absences of Board members and the nature thereof.
4. All motions regarding Bylaws must be submitted in writing 30 days prior to the Intergroup meeting in order for the motions to be considered.

8. No more than fifteen (15) minutes discussion will be allowed on an item. There will be a five (5) minute warning. If the matter is not disposed of at the end of fifteen (15) minutes, it will be considered unfinished business to be brought back during the next Intergroup meeting.

Section 4: Face to Face GPI Meeting Procedures

1. A sign-in sheet will be available at each GPI Meeting to take attendance and get attendee contact information for the GPI secure address book.
2. A 7th tradition basket will sit out next to the GPI sign-in sheet.

3. Meeting Chairperson will ask for a volunteer to serve as the Wireless Speaker Mover so those attending virtually can hear the person speaking; leaving the Wireless Speakers in the center of the circle does not adequately capture the meeting proceedings for virtual attendees.
4. GPI and its members will abide by any and all facility requirements.

Section 5: Virtual GPI Meeting Attendance Procedures for Face to Face GPI Meetings

1. Virtual attendance at Face to Face GPI Meetings is equivalent to attending in person.

4. The Executive Board member will then alert the person currently holding the wireless speakers to charge them, bring them to the next GPI meeting, and plan to set them up a few minutes prior to the start of that GPI meeting.
5. The limits of the GPI Zoom account will determine how many virtual participants may attend.
6. Those attending virtually may have mainly a listening role, responding only to the Roll Call, or a more active roll if they wish, as per Section 3: GPI Standing Rules.
7. GPI members (Executive Board, Regional Representatives/Alternates, World Service Business Conference Delegates/Alternates, and Standing Chairs) attending virtually must have submitted their monthly report as usual and be prepared to answer any questions. This also applies to the Webmaster/Administrator.

9. Voting at the annual election meeting: virtual attendees will vote via the Zoom polling function or by texting their vote to a ballot counter attending in person at the annual election meeting, who will destroy the text messages after the election meeting due to these elections taking place via a non-public ballot system; virtual attendees who are unable to vote via Zoom polling or text will be unable to vote in annual GPI elections.

Section 6: Purely Virtual GPI Meeting Procedures

1. Purely virtual GPI meetings shall be held via Zoom, with all relevant GPI Policies and Procedures applying.
2. Attendance at a Purely Virtual GPI meeting is equivalent to attending in person.

Appendix B: Travel Policy

It shall be the policy of Greater Pittsburgh Intergroup to reimburse delegates for reasonable out-of-pocket expenses. For purposes of this policy, a delegate shall be defined as a Regional Representative, an Alternate Regional Representative, World Service Business Conference Delegate, World Service Business Conference Alternate Delegate, or any member authorized by the Greater Pittsburgh Intergroup to conduct business of GPI. Expenses shall be defined as travel, meals, lodging and similar expenses of a business nature when incurred in effectively carrying out GPI business. Every delegate is expected to use good judgment when expending and approving expenses.

Administration of this policy shall be on a basis consistent with maintenance of reasonable living standards and appropriate representation of GPI in the situation to which the expenditure is related.

Items of a personal nature incurred while traveling shall be carefully segregated from GPI expenses and are not reimbursable.

Allowable Expenses:

To comply with the travel and entertainment expense provisions of the Federal tax laws, each delegate must be governed by the following:

1. All receipts for lodging, transportation, food and other expenditures must be attached to the expense report. All expenses must have a receipt or they will automatically be rejected for reimbursement.
2. Points traveled and purpose of trips must be fully explained.
3. Details of meal expenses must include the business purpose of the meal.
4. Allowable transportation expenses are as follows:
 - A) Mode of transportation shall be decided by the consensus of the delegates. As a general guideline, trips taking less than five (5) hours driving should be made by motor vehicle.
 - B) If a delegate chooses not to carpool with the group, her or her transportation costs will be treated as a personal expense.
 - C) Mileage reimbursements are made at the rate of the IRS Charitable rate +\$0.20 per mile.
 - D) GPI will reimburse for mileage OR gasonline expenses, but not both.
5. Allowable lodging expenses are as follows:
 - A) Delegates are required to share rooms so as to keep lodging costs low. If a delegate chooses a single room, only the shared room cost will be reimbursable; the delegate will be responsible for the remainder of the single room cost.
 - B) Fees for a room refrigerator are allowed as a way to keep meal costs low
 - C) GPI will not reimburse for any meals or beverages taken in the room, such as room service or restocking fees.
 - D) GPI will not reimburse for any entertainment costs, such as in room movies.
6. Allowable meal expenses are as follows:
 - A) If a meal is provided by the Assembly or Conference, GPI will not reimburse for a separately purchased meal unless the delegate has a health condition requiring the specially purchased meal.
 - B) The actual cost of meals, including tips where necessary, while away from the GPI area is reimbursable provided the total amounts fall within the meal guidelines given below. The delegate's good judgment is expected so that cost effectiveness is maximized.
 - C) If tipping is necessary, fifteen (15) to twenty (20) percent of meal cost is considered an adequate tip. Tips above twenty (20) percent of meal cost are not reimbursable.
 - D) Total meal costs per day for the Region 7 Assembly shall not exceed fifty-five dollars (\$55.00) per day, or an average of fifteen dollars (\$15.00) for breakfast, fifteen dollars (\$15.00) for lunch, and twenty-five dollars (\$25.00) for dinner. Costs above these amounts will be considered excessive and will not be reimbursed.

- E) Total meal costs per day for the World Service Business Conference shall not exceed fifty-five dollars (\$55.00) per day, or an average of fifteen dollars (\$15.00) for breakfast, fifteen dollars (\$15.00) for lunch, and twenty-five dollars (\$25.00) for dinner. Costs above these amounts will be considered excessive and will not be reimbursed.
- F) If a delegate must travel for GPI business to a high cost area, such as New York City or San Francisco, the Finance Committee will determine total allowable meal costs per day on an as needed basis.
- G) Meal costs incurred in the GPI area are not reimbursable unless the delegate's duties require purchase of meals normally taken at home.
- H) Meal costs for travel days will be reimbursed according to the following schedule:
 - i. Departing before 12:00 noon will be reimbursed for two (2) meals
 - ii. Departing after 12:00 noon will be reimbursed for one (1) meal
 - iii. Returning before 12:00 noon will be reimbursed for one (1) meal
 - iv. Returning after 12:00 noon will be reimbursed for two (2) meal
- I) All cocktails, liquors, or other such beverages is considered a personal expense and is not reimbursable.

Administration

This policy will be administered by the GPI Finance Committee (FC). Any expenditures which appear to be excessive or unusual shall be investigated by those responsible for approval. It is the responsibility of the GPI FC to see that expenses meet the requirements of the Federal Tax Law.

Expense Advances

Advances may be assigned to delegates to provide funds for travel expenses when out of the GPI area. Advances are to be kept to an absolute minimum; the GPI Treasurer will pay directly for as many advance expenses as possible, such as airline tickets.

A delegate requesting an advance must submit a properly completed Advance Form before any funds will be disbursed. The Advance Form must be submitted to the GPI Treasurer at least thirty (30) days before the advance is required in order to be considered. The GPI FC must specially approve any advances not submitted within this timeframe. Advances will not be disbursed any earlier than two (2) weeks prior to the delegate's expected departure date.

Any unexpended portion of the advance is to be returned to GPI within ten (10) days of the completion of the trip, along with an itemized expense report with supporting documentation and receipts, or the delegate becomes responsible to return the entire advance to GPI.

Reimbursement of Expenses

Reimbursement for allowable expenses is obtained by submitted an itemized expense report with supporting documentation and receipts to the GPI Treasurer. Approval of questionable expense reports will be by a consensus of the GPI FC. Expenses shall be reimbursed to the delegate no later than the next meeting of GPI following the submission of the itemized expense report with supporting documentation and receipts.

Retreat Planning

It is suggested to allow at least one (1) to two (2) years planning time for retreats.

Questions to ask the facility hosting the retreat (if at all possible, plan to visit the facility):

- ◆ When are they available? (It can take several months to really pull off a good retreat, so schedule accordingly)
- ◆ What is the basic cost for lodging and meals (either per person or a flat rate)?
- ◆ What is included in the lodging? (some facilities provide beds only and registrants have to bring pillows and bed linens; whereas others provide full service)
- ◆ How large a group can they handle? (consider both lodging and meeting rooms for possible day-trippers)
- ◆ Is there a minimum number of registrants required?
- ◆ Who handles registration? (some facilities request that all registration be run through them)
- ◆ How many meeting rooms are available for workshops (if that is the desired format)? At what cost?
- ◆ Can they or their caterer meet the special requirements of an OA group? (be specific)
- ◆ Can we develop a menu for the caterer to follow? At what cost?
- ◆ What kind of beverage service is available between meals?
- ◆ Will they accommodate day-trippers? (Some facilities require that anyone attending for even a day pay the full price and eat only the food they provide, thereby eliminating unannounced day-trippers)
- ◆ Is there space for people to store/prepare their own food? Is this an additional cost?
- ◆ Is there a deposit required?
 - How much?
 - Is it applied to the final bill?
 - When is it due?
 - Is it refundable?
 - How late can we cancel and recover the deposit (or a portion thereof assuming it is refundable)?
- ◆ Beyond lodging and meals, do additional options exist? (pool, sound system, exercise room, etc)?
 - How much for each?
 - What lead time is required to reserve an each option?
- ◆ What are our responsibilities as far as setup/clean up and meal prep are concerned?
- ◆ Is ample parking available for the registrants? Is there an additional cost?

Questions to ask yourself (GPI) before setting the price, assuming that GPI has voted in favor of conducting a retreat and providing the funds for at least the deposit):

- ◆ All retreats/events are expected to cover their costs and show some profit
- ◆ How many people do you realistically expect to attend?
- ◆ What other options available from the retreat facility do you want to utilize?
- ◆ Can registrants come for only part of the weekend and stay in the facility? Do they get a reduced rate?
- ◆ Will single rooms be offered? Will they be charged more?
- ◆ Will day-trippers be invited? What will you charge (per day, graduated, flat rate)?
- ◆ Will scholarships be offered? Full or partial? How many?
- ◆ Will travel for out of town leaders be paid for (if that turns out to be format selected by the committee planning the retreat)?

- ◆ How much will you cover? (Check with region for possible speaker funding as travel for board members to speak at retreats may be covered in their budget)

Questions to ask once you have decided to hold the retreat. These must be answered before you distribute flyers as some of this should be on the flyer / registration form, marked with an asterisk:

- ◆ If scholarship(s) will be provided, will a scholarship fund be set up using donations from other registrants?
- ◆ Will the format be structured by one or two leaders in an auditorium style or will it consist of workshops led by a variety of registrants (weekend or day-tripper)?
 - Will registrants be able to specify which topics they'd like to have workshops on?
 - How many separate workshops will go on simultaneously?
- ◆ You will need someone other than the committee chair or registrar to lay out the workshop schedule.
- ◆ What service opportunities will there be for registrants?
 - Opening/Closing speaker / Workshop leader (abstinence requirements?)
 - Meal prep / setup / clean up
 - Activities coordination
 - Greeter/Hugger
 - Literature sales or other fund raising tasks (selling raffle tickets, coordinating silent auction, etc)
 - Decoration
- ◆ Will the format be based on a specific piece of literature (Big Book, 12 & 12, etc)?
 - Should registrants bring their own or will selected texts be provided? (budgetary consideration also)
- ◆ Will there be theme/name for the retreat?
 - Centered on a specific aspect of recovery (spirituality, surrender, abstinence, tools, etc)?
 - Will the theme be based on the facility and its surroundings?
 - Will the theme be seasonal?
- ◆ How much free time will be provided in the program?
 - What time(s) will be set as free time?
 - What activities might be offered during the free time?
- ◆ Who will be the registrar and other contacts?
 - Phone and email for all contacts, including registrar needs to go on the flyer
 - It is suggested that the registrar not be the same person chairing the retreat planning committee; it is too much for one person.
- ◆ Who is going to do the flyer?

Budgetary Considerations, keeping in mind the aim of the retreat and the expected attendance. The below assumes that IG accepts the cost of copying the flyers as part of regular operating expenses.

- ◆ All retreats/events are expected to cover their costs and show some profit
- ◆ Remember to include any travel allocation for out of town leaders in the budget if that was decided earlier.
 - Keep in mind that Region 7 has funds for travel expenses for one out of town speaker per intergroup per year
- ◆ Remember to plan how the GPI literature will get to the retreat for literature sales
- ◆ What will be provided to the registrants upon arrival (nametags, writing materials, program agenda, commemorative pens, etc.)?
- ◆ How much will be spent on decorations? (Set the ceiling and basic guidelines and let whoever is doing decorations run with it, not the committee chair)

- ◆ Will you need to provide signs to direct people to the retreat? How many and what size? Will they be made by members or professionally?

Summary (Bottom Line)

There is a reason that Region and WSO actually begin planning retreats/conventions two years in advance and engage numerous people to make them happen.

To plan and conduct a retreat, a committee of at least six people should be established, and they should enlist help from others (including registrants). It is also necessary for the members of this committee to communicate frequently and meet outside of intergroup. The time allotted to event planning at intergroup is insufficient to deal with everything that needs to be addressed in order to yield the desired results for a retreat.

The following activities would benefit by having a dedicated lead within the committee:

- ◆ Retreat Planning Committee Chair (Should not take on any more than one of the below positions, and strongly suggested that position be something other than registrar)
- ◆ Registrar
- ◆ Service coordinators
 - Program coordinator (get leaders and lay out the schedule)
 - Facility/Caterer liaison
 - Activities/Events Coordinator
 - Decorations
 - Scholarship coordinator (If applicable – Registrar could handle in a pinch.)
 - Welcome packet / Program material coordinator (may or may not be needed depending on the complexity of the program, nametags needed at a minimum)

Marathon/Special Event Planning

It is suggested to allow at least six (6) months planning time for marathons/special events.

- ◆ Decide on a workshop theme: what do you want to accomplish?
- ◆ Set length of time depending on theme and number of topics, e.g. a few hours as a separate event, or a full day or weekend retreat.
- ◆ All retreats/events are expected to cover their costs and show some profit
- ◆ Consider budget and whether or not to ask for a suggested donation or 7th Tradition collection.
- ◆ The following chart can help with budgeting and planning:

ITEM	Person Responsible	Contact Info	Estimated Cost
Rent			
Pamphlets and books			
Raffle or door prizes and tickets			
Paper, pens, markers			
Name tags			
Speaker travel expenses			
Recording equipment			
Water/coffee/tea			
TOTAL			

- ◆ Set date and times

- ◆ Set opening, workshop topics and times, speaker, break/meal time, closing, & takeaway items

- ◆ Have back-up plan if a speaker does not show or the workshops move quickly and there is extra time, like having an impromptu OA meeting or dance or something else.
- ◆ Additional workshop topics could include food plans, incorporating 12 Steps into abstinence, working with a sponsor on food plans/abstinence...plus whatever else.
- ◆ Create event schedule for participants.
- ◆ Create publicity online and on paper. Announce workshop at meetings, local website, and to neighboring intergroups and region.
- ◆ Confirm volunteer attendance with follow up calls a few days before the event.
- ◆ Visit event venue ahead of time to plan room setup, registration, water/coffee/tea, and other items.
- ◆ Day of event
 - Arrive very early for set up
 - Speakers arrive 30 minutes before event
 - Doors open 15-30 minutes before event
 - At registration table: event schedule, name tags, pens and paper
 - Offer tickets if raffle or door prizes will be held
 - Present workshops and speakers
 - Have fun!
 - Distribute and collect Event Evaluation Form
 - Clean up after yourselves. Leave things better than you found it.

Appendix D: Voice of Recovery Style Guide

The purpose of this guide is to document format and style changes put into effect in 2014 in order for subsequent editors be consistent easily. We believe a consistent format will help VOR readability.

OA Guidelines for Newsletters

OA World Service provides guidelines for newsletter editors to follow. These guidelines are available on the OA.org website.

Voice of Recovery Format

The Voice of Recovery is a four-page newsletter printed and distributed to meetings in B&W and delivered electronically in color and B&W.

1. Color:
 - A. One coordinating color is used in the color version for horizontal bars bordering pages, separating articles on a page. We do not use color backgrounds in order to save ink and toner for those who print the VOR.
 - B. The color should coordinate with the photographs used in the issue.
 - C. In the B&W version all coordinated color elements should be changed to full black.
2. Masthead:
